DISCLAIMER

General

The detailed Equipment Information is limited in scope, and Ritchie Bros. Auctioneers has not inspected any aspects or the components of the equipment other than those expressly set forth herein. Unless expressly stated, we make no representations or warranties, express or implied, concerning the equipment or its components, including without limitation any representations or warranties concerning functionality, conformity or compliance with any safety standard or requirement of any applicable authority or regulatory body, fitness for any particular purpose, or standard or requirement of merchantability. You are strongly advised to perform your own detailed inspection of the equipment prior to bidding.

Functions

Equipment is not tested under load. We make no representation or warranty that equipment is operating in accordance with manufacturers specifications. No inspection has been performed with respect to any functionality aspect other than those expressly included herein. Only select photos have been provided for individual undercarriage components, and may not be indicative of the condition of the entire undercarriage as a whole.

Dimensions

Measurements are given as an estimate only. Actual loaded dimensions may vary based on truck/trailer height and the loaded machine configuration position. It is the buyer's responsibility to measure all loads before leaving our auction site to ensure the load is safe for transport. All measurements should be verified by the buyer. DO NOT rely on these measurements for transportation purposes
